

RESOLUTION NO. 622

A RESOLUTION OF THE CITY OF WHITE SULPHUR SPRINGS, MONTANA, ESTABLISHING FEE FOR WEED ABATEMENT.

WHEREAS, the City Council has established a requirement under Title 7 Ch. 4 to assess costs for weed abatement; and

WHEREAS, the City Council has considered a fee based on a standard lot size as the appropriate mechanism for such an assessment in order to maintain uniformity in the assessment; and

WHEREAS, The City Council has determined lots should be assessed based on the standard lot size of approximately one-fifth of an acre or approximately 8,600 sq. ft., and lots larger than this size should be charged a pro-rated amount based on this standard size, which would make a full acre lot subject to five times the set fee; and

WHEREAS, the City Council desires to adopt the fees according to a set schedule.

NOW, THEREFORE BE IT ORDAINED AND RESOLVED BY THE CITY OF WHITE SULPHUR SPRINGS, MONTANA as follows:

The City of White Sulphur Springs hereby establishes a fee schedule for weed abatement within the City of White Sulphur Springs:

LOT SIZE	RATE ASSESSED
Lots up to 8,600 sq. ft. (average lot size)	\$200 base rate
Lots over average size	base rate x nearest 1/2 proportion over

IE: 8,600 - 12,900 = 1.5 x base rate
12,901 - 17,200 = 2 x base rate
1 acre = 5 x base rate

This measure is effective upon passage.

PASSED by the City Council and the City of White Sulphur Springs, Montana, on first reading at a regular session thereof held on the 21st day of July, 2020.

Rick Nelson, Mayor
